Di Wu dazzled us in her November 2007 performance with the THSO. The dramatic power and beautiful melodies of Sibelius' 2nd Symphony and Rossini's sparkling overture complement the program.

Sibelius	Symphony No. 2
Brahms	Piano Concerto No. 1

A Night of Romance

Hannah Penn's deeply expressive vocal style is perfectly suited for Wagner's love songs and Bizet's sultry *Carmen*. Bartok's concerto for the entire orchestra is filled with sly humor, beautiful melodies and lush, rich harmonies. This remarkable masterpiece is absolutely thrilling.
