David Bowden Artistic Director

Hello Everyone!

We are thrilled to welcome you and your students to **Tilson Auditorium** on the campus of **Indiana State University** on **Tuesday April 9, 2024 at 9:30 AM Eastern**. We believe our programs for children are the **most** important concerts we do each year! Please continue reading below for important information:

## **Singalong Reminder**

We will ask students to join us in a singalong of American Patriotic songs during the concert, so please help your students **memorize the lyrics** so they can enjoy the singalong! [Click here](#) to review the lyrics. We also have several **classroom resources** and **activities** available at <https://www.thso.org/adventure-concerts>.

## **Schedule**

Please plan for students to **arrive at Tilson Auditorium by 9:00 AM Eastern** if possible to ensure ample time for students to walk into the auditorium and get seated. The first concert will begin promptly at 9:30 AM Eastern.

## **Seating**

All non-VCSC schools attending our 9:30am performance will be seated in the balcony in Sections E, F, and G. Rows will be filled as students arrive from front to back by ushers. A seating chart of Tilson Auditorium is attached for reference. **Please note there is no elevator to the balcony, only stairs.** If you have any students in need of accessible seating, please reply to this email so I can ensure a location is reserved on the floor.

## **ADA Bus Drop Off – ADA Only**

Please use US 41 North and turn right onto Locust Street headed East into Indiana State University campus. Turn right on 7<sup>th</sup> Street headed South. ADA students and chaperones may be dropped off between buildings 21 and 67 on the attached campus map from 7<sup>th</sup> street. Use the back entrance of Tirey Hall (building 67) to access the elevator. Take the elevator to the Second Floor and follow directions from the ushers. Reminder, the elevator does NOT go to the balcony seating unfortunately.

After ADA students are dropped off, busses will continue South on 7<sup>th</sup> Street and turn left on Wabash Ave. Turn left on 9<sup>th</sup> Street headed North. Park in **Lot D Extension** on your right at Eagle Street. To pick up students after the concert, head north on 9<sup>th</sup> street, turn left on Tippecanoe, and left on 7<sup>th</sup> street to head south to pick up students between buildings 21 and 67.

## **School Bus and Car Parking**

All cars will park in Lot D (**BLUE**). All busses will park in Lot D Extension (**GREEN**). Use Wabash Avenue headed East and turn left onto 9<sup>th</sup> Street headed North. Turn right onto Eagle Street and into the entrance of the parking lots.

bodied persons can use the stairs on either side of the auditorium entrance. Ushers will be positioned in the Tilson Auditorium Lobby to direct you.

If needed, those with accessibility needs may use the ground level entrance between the stairs and follow the signs in the ground lobby around to the elevator. Take the elevator to the Second Floor and follow instructions from the ushers.

## Take-home Handout

A take-home handout will be offered to students, parents, and teachers as you exit Tilson after the concert. The handout shares information with parents about what their children learned during their *Adventure Concert* field trip.

## Exiting Tilson Auditorium

To avoid congestion, we ask that students and teachers walk to parked busses and parked cards upon release from the concert using the same walking path as they entered. ISU police will assist with the
